Letter of Gratitude

Dear Dr Tessa Hofmann, Paul-Gerhard Roth, Noubar Gued, Beate Hansen, Andreas Gries and Ilias Uyar,

Beloved members and supporters of *Arbeitsgruppe Anerkennung – Gegen Genozid, für Völkerverständigung e.V.* and *Armenienhilfe Neuenhaus*,

Hereby we would like to express our immense gratitude to You and Your honorable adherents for standing with us during the current humanitarian catastrophe. With much gratefulness our local partner *Syunik Development NGO* has received Your significant donations, which helped them to reopen and sustain the refugee shelter for the forcibly displaced people from Artsakh/Nagorno Karabakh since September 25, 2023, in Siranush youth camp at the Diocese of Armenian Apostolic Church of Vayots Dzor with an extra social-pedagogical staff.

With decent acknowledgement we have met those board members, who visited us last month at Siranush youth camp in person and spent their time with the residents of our refugee shelter. It was especially a great joy for the displaced children, to get nice presents from Germany and play with Ms Hansen, Mr Roth and Mr Gries in person during that day. In the name of our historical Diocese, we thank You again for Your humanitarian support and Christian commitment in these very difficult and challenging times. May our heavenly Father bless Your future ideas and lead all of Your benevolent projects to similar successful results.

With best wishes and blessings,

Archbishop Abraham Mkrtychyan
Primate of the Diocese of Vayots Dzor
