Dear representatives of „Arbeitsgruppe Anerkennung – Gegen Genozid, für Völkerverständigung e.V.“,

with much acknowledgement we confirm hereby again the receipt of Your second donation, which reached us on October 17, 2023 via international banking transfer. The contribution of 8.211 Euros was successfully received at our account number and will be spent for the needs of displaced people from Artsakh in the “Siranush” youth camp at the Diocese of Armenian-Apostolic Church of Vayots Dzor, where Syunik Development NGO is in charge of the refugee shelter.

Once more we thank You and Your donators very much for this humanitarian support in such challenging times and wish all the best for upcoming projects!

With best regards and sincerely Yours,

Ani Smbatyan

President of Syunik Development NGO
